

EL-Series

Saltwater Chlorinator

Zodiac EL-Series

saltwater Chlorinator

Designed and manufactured here in Australia to tackle our harsh environment, Zodiac's **EL-Series** chlorinators are built tough but are simple and easy to use. The durable design and robust materials means you will get years of life from your **EL-Series** chlorinator.

Designed and manufactured here in Australia to tackle our harsh environment, Zodiac's EL-Series chlorinators are built tough but are simple and easy to use.

Built in Timers

Built in clock and timers allow you to set up your pool filtration and chlorination on a regular system, so you don't need to worry.

Low Maintenance

The low maintenance reverse polarity electrode has been designed to clean itself and provide years of hardworking performance.

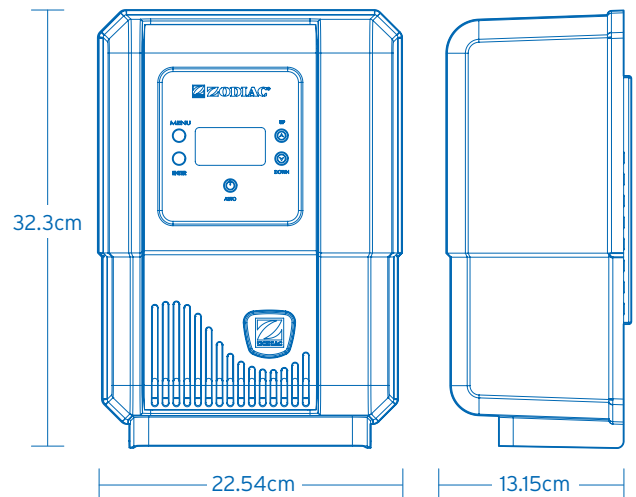

Adjustable Chlorine Output

The chlorine output selector allows you to find the most suitable output for your pool and only adjust it with the seasons.

Suits Most Pools

Comes in two sizes to handle most pool sizes in most climates. The 25G suitable for common sized pools in the milder climates and the 35G designed for the hotter and more tropical areas.
